

Summer Keyboarding Challenge

== WHICH ELEMENTARY SCHOOL WILL BE THE VICTOR? ==

PUT YOUR KEYBOARDING SKILLS TO THE TEST!

This summer, log onto your typingtraining.com account and practice your keyboarding skills. Every minute of practice you enter will be added to your school's grand total (and then averaged by number of students participating.) Each week you can check the leaderboard at <http://d25.weebly.com/> to see which school has logged the most minutes.

Rewards:

- 1) Winning School: The elementary school with most minutes entered by the end of the summer will win bragging rights for the year, be recognized as a district board meeting, and win the coveted golden keyboard trophy to be proudly displayed in the school.
- 2) Top Student at Each School: The student who logs the most minutes at their school by the end of the summer will be recognized at a board meeting, receive a certificate and earn one technology lunch/recess for them and a friend.

Remember to use your student username and ID to login:

Example Username: d25Student0000 Example Password: sd25www

For questions or more information please email keyboarding@sd25.org
