

Arlington Heights School District 25
Erin's Law Presentations

On January 24, 2013, Governor Pat Quinn signed a new law extending sexual abuse education in Illinois schools. Erin's Law requires all schools to provide child sexual abuse prevention education for all students, early childhood through 12th grade, yearly. The law also allows parents to choose to not have their child participate in the presentation.

If you do not wish for your child to participate, please complete this form and return it to your child's teacher prior to their classroom presentation. Presentations will run from October 15th through November 9th.

I hereby request that my child _____
opt-out of participation in the Erin's Law sexual abuse prevention presentation for the
2018-2019 school year.
