

# 5th-Grade

## Personalized Learning Drive

### May 1st - May 12th

**Kay's Animal Shelter:** We are girls from Ms. Mekky's fifth grade class. Two of us, Lucie and Sophie, are helping Kay's animal shelter. We both love animals and want to help them. We also know a lot of you have pets or love animals as well, so we thought this would be a great cause to help. If you want to look in Kay's even more, their website is <http://www.kaysanimalshelter.org/>. You can also look there for more supplies to donate. We need your help to help them!

**Salvation Army:** The other two of us, Lizzie and Verena, are collecting donations for the Salvation Army. We want to help them because they help people, but they can't help people unless we help them. Some people aren't able to have all the things we have, and so rely on the Salvation Army. You can help them by bringing in old clothes (as long as they are in pretty good condition) you have laying around that don't fit anymore for someone who really needs them!
