

Pie Face Challenge

We are Gianna and Hannah and we are in 5th grade. For our personalized learning project we are organizing a fundraiser for food allergy awareness. Our goal is to create a "café" at Ivy Hill for students with food allergies and their friends to share experiences, play games, and learn more about living with food allergies. We hope to purchase supplies and materials to make our "café" a reality!

To raise money and awareness, we are going to have a Pie Face Challenge with 10 teachers or staff from Ivy Hill who receive the most votes. You can vote for a teacher/staff that you want in the challenge. Each vote costs \$1. You can vote for several teachers!

This form is due by **May 17, 2017**, so make sure to get your votes in. We will announce the 10 lucky teachers/staff to be in the challenge during morning announcements on May 19th. The teachers and staff that volunteered are listed on the back of this sheet. **MAKE SURE TO VOTE!**

Teacher and Staff Volunteers
